Team Reece

On Friday we held a mufti day in honour of Reece Holt, the local schoolboy who sadly lost his fight with cancer. We raised £150.00 which will be donated to the 'Team Reece' charity as they continue to raise money to fund research into better treatment options for childhood cancers.

Thank you for your kind donations.

Infant Late Arrivals

The school day begins at 8.55am with the doors open from 8.45am. A number of children are arriving after 8.55am. As part of our ongoing safeguarding review, from Monday 11th February, if your infant child arrives after 8.55am you will need to wait with them at the school office until a teaching assistant becomes available to escort your child to their classroom. We need to ensure the school premises are secure once the school day starts which means locking the gates and monitoring visitors.

I am sure you will support us in keeping our children safe.

Thank you.

Please can parents ensure that all dinner money is paid up to date. An increasing amount of time is being spent chasing dinner debts. Thankyou.
