Farewell

It is with great sadness I have to announce that Mrs Berriman our Learning Mentor, will be leaving us on 25th January to spend more time with her family. Mrs Berriman has devoted herself to St Joseph's for many years and she will be greatly missed by all of us. I would like to thank Mrs Berriman for all her hard work.

A new learning mentor will be appointed in due course.

Chewing Gum

Please do not allow your child to bring chewing gum into school. Chewing gum is not allowed. There has been an amount found stuck in the carpet outside classrooms. This is both unsightly and unhygienic and also a nightmare to remove for the cleaning staff who are trying to keep the school clean. Thank you for your co-operation in this matter.

A Song For Unity

You are invited to a celebration of worship and music at St Joseph's Church on Friday 25th January at 7.30pm.

Entry is free.
